WANT TO TRADE PLACES WITH THE BULL?—Dandy Domino 6th appears to be giving the raspberry to would-be rustlers from behind the six guns of his pretty protector. And what male wouldn't? —the gun-slinger is Miss California, Pat Lehman of Sacramento. Dandy, the donation of George Hunt, Millville, Shasta County, will be auctioned off for the benefit of the "March of Dimes" at the annual Red Bluff Bull Sale February 7, 8 and 9. Miss Lehman personally will be on hand at sale time to escort Dandy into the auction ring to see that he brings a big price for the infantile paralysis fund.

Announcement—

On February 7, 8 and 9, 1952, the 11th Annual Red Bluff Bull Sale will be held at the Fairgrounds in Red Bluff.

This annual event, which has become the largest, highest quality, range bull sale to be held in America, is sponsored by a committee of the Tehama County Cattlemen's Association, which is a branch of the California Cattlemen's Association.

All are well known, commercial cattlemen living in Tehama County. These men are Charles Stover, Chairman of the Committee, Roy Owens, C. S. Watson, J. T. McKerras and Charles Luther.

The Red Bluff Bull Sale Committee is desirous of making their 11th annual sale a success. Their aim is to provide through it a convenient means by which commercial cattle operators in the West may obtain outstanding and carefully inspected range bulls of breeding age.

The consignors to this event are leading breeders from eight western states. These men have been saving their best bulls for Red Bluff.

All bulls will be graded by a committee of well known and highly respected commercial cattlemen and will be inspected by the local committee and veterinarians for sound feet and legs and over-conditioning.

The majority of the bulls will be sold in pens of three and five without choicing. The committee welcomes and appreciates the patronage of the cattlemen of the West and wishes to assure them that their interests will be protected to the fullest possible extent.

Terms and Conditions

1.—Each animal, except those in pens, will be sold separately to the highest bidder. The auctioneer will settle any dispute as to bids by declaring all bids off and re-selling the animal in question.

2.—All animals consigned and not sifted must be sold through the auction ring sale day in their respective sale order.

3.—Animals sold in this sale will be fed and cared for until the day after the sale, free of charge, but at purchaser's risk and will be turned over to the purchaser or loaded on cars or trucks, for shipment as he may direct. Halters will be left on bulls.

4.—Terms: CASH—unless arranged for in advance. Parties unknown to the committee desiring to settle by personal check should bring letter of credit from their banker.

5.—All bulls are guaranteed breeders. This guarantee comes from each consignor, covering the cattle he consigns to the sale.

Buyers suspecting a bull purchased at Red Bluff to be a non-breeder for any reason must notify the Red Bluff Bull Sale Committee regarding such a bull within six months of the date of the sale. The committee will then have an examination and investigation made by a competent veterinarian.

If it is determined at that time, that the bull is a non-breeder and had been a non-breeder during the time which the buyer owned it, consignor will be required to either compensate the buyer for the difference between the beef value of the bull and the sale price or return the entire purchase price to the buyer and take the bull back at his own expense or replace the bull with another one at the option of the buyer.

6.—All animals to be sold must meet physical inspection of sale veterinarian and sale committee's approval.

7.—All individuals and individuals in pens will be graded either in barns or while being shown February 7th and 8th.

8.—Sifted bulls may be sold at private treaty but sales of such bulls must go through sale clerk.

9.—Pen bulls must be shown and sold loose without halters.

10.—There will be no choicing from pen lots, unless management determines that more individuals are needed than were allowed in Rules and Regulations. In this event a few lots may be choiced and announcement will be made before selling.

11.—Registration certificates and transfers will be mailed to Breeder Association immediately after sale by committee, with the instructions that they be returned to buyers.

12.—The management of this sale acts only as the agent for the consignors in the sale.
